

Middletown Pickleball Court Reservation Guidelines Update

The MPA board is happy to announce that we will be providing members the opportunity to reserve courts. This initially came about because some members have requested to reserve certain court #(s) at a specified date and time. This will allow said group to play with the organized individuals they wish to play with. This process will also provide the guidelines for members or non-members that have shown an interest in running clinics, individual training, small tournament's or special play groups. Each request will be considered on a case by case basis. Our main driver is to maintain as much open play as possible while providing the opportunity for those that may need reserve play.

No courts will be reserved during open play prime time (times may fluctuate as necessary):

- Mon - Sun : 9am - Noon (Round Robin and League times are covered within this timeframe)
- Mon - Sun : 5pm - 8pm (League times and Intro to PB are covered within this timeframe)
- Note: Some prime times may be available to reserve for small groups, depending on daily activities

The cost to reserve courts is \$5 per hour per court for members and \$10 per hour per court for non-members. To reserve your court, email middletownpb@gmail.com with the dates, times and number of courts you wish to reserve. If you have specific court #(s) that you wish to play on, please include this in your request. The board will review and confirm back as soon as possible. It is advisable to send your requests in early, as it may take a few days to review and confirm. Please review the MPA Events Calendar prior to your request to make sure the dates and times are available. All confirmed reserve courts will be posted on the Calendar.

Sincerely,
MPA Board
